

# VINOTHINI D

Computer Science Engineering Student

Puducherry, India | +91 9626409962 • [vinothinidk81@gmail.com](mailto:vinothinidk81@gmail.com) • [LinkedIn](#) • [Portfolio](#)

## PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student (GPA 9.06/10) with demonstrated expertise in UI/UX design, data analytics, cloud architecture, and AI-driven solutions. Certified by industry leaders including TATA Forage, AWS, and MongoDB. Seeking the Hawkins Summer Internship 2026 to apply analytical problem-solving and technical skills to real business challenges, contribute meaningfully to cross-functional teams, and gain hands-on exposure to large-scale operations and process improvement.

## EDUCATION

### Bachelor of Technology – Computer Software Engineering

Sri Manakula Vinayagar Engineering College, Puducherry, India

Sep 2024 – May 2028

CGPA: 9.08 / 10.0

Relevant Coursework: Data Structures, OOP, Web Technologies, Database Management

## PROJECTS & TECHNICAL WORK

### Personal Portfolio Website

Technologies: HTML5, CSS3, JavaScript, Vercel

- Designed, developed, and deployed a fully responsive personal portfolio ([my-sea-portfolio.vercel.app](https://my-sea-portfolio.vercel.app)) showcasing projects, skills, and certifications.
- Applied UI/UX design principles to ensure intuitive navigation, clean layout, and professional visual presentation.
- Handled end-to-end deployment via Vercel, gaining practical exposure to CI/CD workflows and production hosting.

### GenAI-Powered Data Analytics Simulation (TATA Forage)

- Analysed business datasets using AI-assisted tools to derive actionable insights, simulating a real analyst role within a Fortune 500 context.
- Produced structured findings reports and data visualisations, mirroring deliverables expected in corporate analytics functions.

### AWS Solutions Architecture Simulation (TATA Forage)

- Designed scalable cloud architecture solutions on AWS, applying best practices in reliability, cost optimisation, and security.
- Completed scenario-based challenges covering VPC design, IAM policies, load balancing, and storage configuration.

## TECHNICAL SKILLS

|                      |                                                                       |
|----------------------|-----------------------------------------------------------------------|
| Programming          | Python, Java, C                                                       |
| Web Technologies     | HTML5, CSS3, JavaScript                                               |
| Databases            | MongoDB, SQL fundamentals, Query Optimisation                         |
| Cloud & Architecture | AWS (Solutions Architecture), Cloud Infrastructure Design             |
| Data & Analytics     | GenAI-powered analytics, Data visualisation, Insight reporting        |
| Design & UX          | UI/UX Design Process, Collaboration tools, Wireframing                |
| Core CS Concepts     | Data Structures, Object-Oriented Programming (OOP)                    |
| Soft Skills          | Problem Solving, Leadership, Teamwork, Written & Verbal Communication |
|                      |                                                                       |

## CERTIFICATIONS

|---------------------------------------------|---------------------|----------|
| UI/UX Design Process and Collaboration      | Learntube.ai        | Sep 2025 |
| GenAI-Powered Data Analytics Job Simulation | TATA Forage         | Aug 2025 |
| AWS – Solutions Architecture Job Simulation | TATA Forage         | Aug 2025 |
| AI Agents with MongoDB                      | MongoDB             | Jun 2025 |
| Query Optimisation                          | MongoDB             | Jun 2025 |
| HTML5 – The Language                        | Infosys Springboard | 2024     |

## AWARDS & SCHOLARSHIPS

---

### The Future Engineers Scholarship

Feb 2024

Foundation For Excellence (FFE) – Merit-based national scholarship awarded to high-achieving engineering students.

## LEADERSHIP & VOLUNTEERING

---

### Volunteer – The Competitiveness Mindset Institute

Aug 2025

- Participated in awareness campaigns and team activities that emphasised leadership, initiative, and collective problem-solving.

### Aspire Leadership Programme

- Completed structured leadership and self-development sessions focused on effective teamwork, communication strategies, and personal initiative.
